USING TECHNOLOGY TO STREAMLINE OPERATIONS

## 2017 – New challenges and a revised focus

- Technology is an enabler
- Common operations can be streamlined and improved
- New opportunities abound both internally and externally
- Swimming South Africa should be the leader in the field

# Increase in volumes – past 3 years

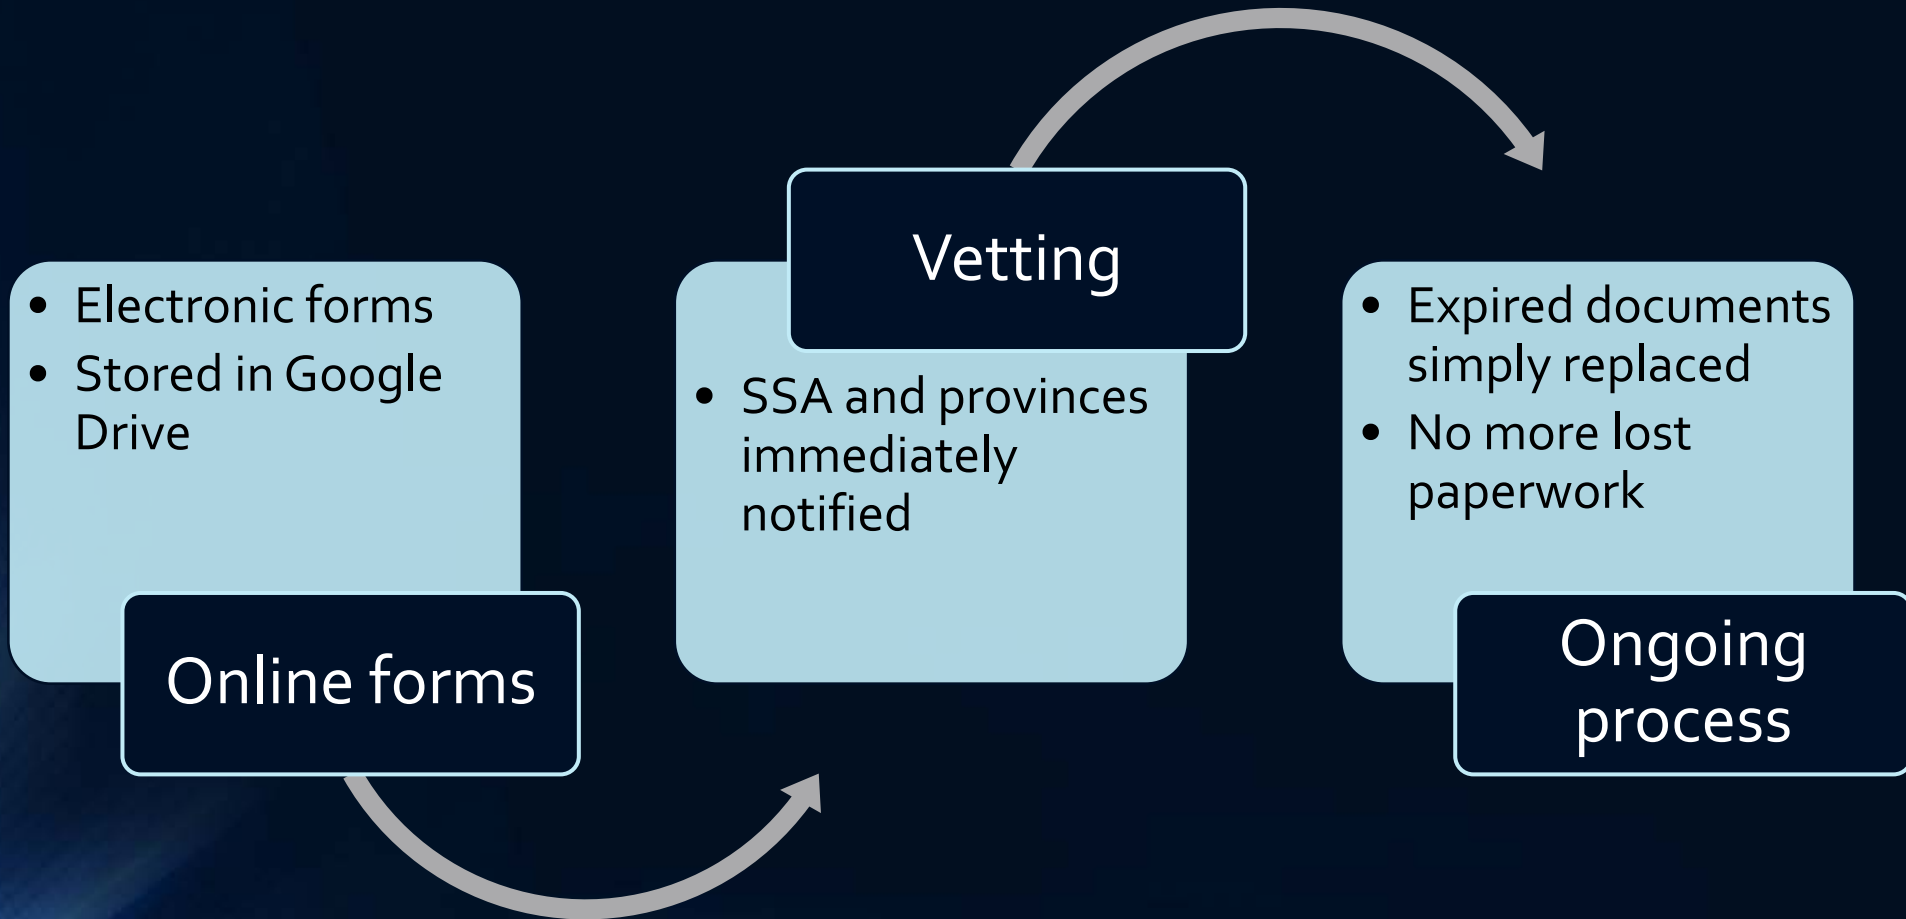

# Typical growth in organisations

# The way forward for applications and profiles

# Additions to the SwimSA.org website

INCREASED FUNCTIONALITY FOR YOU AND THE PUBLIC

# Sharing the data

## CHECK YOUR APPLICATION PROGRESS

- No more calls to the province
- Reduced feedback times for your application
- Check from anywhere
- A tool to verify yourself with your customer

## ACCREDITED MEMBERS ARE LISTED

- Easy to use functionality for the public wanting to engage
- Geographic search around the user's location
- Future plans to allow updating of rates, times, specialties
- Keep your data updated!

## Online education

- Theory can be presented in an online format
- Much of the material is already in an electronic format
- Can include best practices, videos, and even group discussions
- Provinces are giving input and formulating the way forward

Thank you

You are the key to success.
