THE SCHOOL PRINCIPAL

Dear Sir/Madam

IDENTIFICATION OF THE “FOCUS” SCHOOLS FOR AQUATICS IN KZN

As stated in our previous correspondence to you earlier this week, the KwaZulu-Natal Department of Sport and Recreation has tasked our organisation, KwaZulu-Natal Aquatics (KZNA) with identifying the “focus” schools for aquatics in the province. At the meeting held today, the various representatives agreed that this should be based on certain set criteria. We will appreciate if you can indicate if your school meets the following criteria, and whether your school wishes to be considered in this selection process. Please return by **Tuesday, 18 September 2012**.

Kind regards
Rajen Naidoo
KZNA Secretary

Criteria set at the schools’ representatives’ meeting:

A dedicated swimming coach available at the school	
A swimming programme that is conducted at least over a six month summer period	
A 25m swimming pool is available at the school	
A competitive swimming club exists at the school	

Criteria of the Department of Sport and Recreation

Residential facilities available at the school	
Meals are available at the school	
Access to sports science resources	

Additional information

Swimming is actively promoted at my school	
My school promotes other codes of sport	
If yes to the above, how many codes are promoted?	
My school wishes to be considered in the selection process as a “focus” school for aquatics	

Please provide any additional information that will assist our decision making process (eg. covered heated swimming pool, coach has produced swimmers up to level 3, etc)
